INDICATIONS. For Tennewee and the Ohio Valley, warme fair weather, followed by local rains, northerly, shifting to southeasterly winds, stationary or lower

TO-DAY The Mozart Society will complete their preparations for the grand Music Festival, the programmes for which we have discussed in the articles that have appeared in this placeduring the week. The great building that at one time and for years served for exhibitions of the products of the manufactories of Memphis has been completely changed, and from the harr-like appearance it presented

the community, which is, after all, to be mental service here on June 10th. The local examining boards will begin the examination of candidates about June 18th. has taken a great deal of couragy to shoulider the responsibility of the expense in the face of possible contingencies and to organize the forces necessary to work up so great an undertaking. Railroad and outfit of the Signal Service relief expeand steambout rates had to be secured, a dition to Lady Franklin bay, under the comregular system of advertising to be set afoot, ticket agencies and sales commissioned and provided for, and the only building in the city suitable for the purpose, which had been turned over to decay and rule, to be says, which experience could suggest, has been done to insure the success of the undertaking. Lieut. Garlington's men have been put in the good order and condition which the people, we feel sure, will be delighted with on Manday night. It was a herculean task made all the heaver because qualified in point of physical efficiency for the arduous service which may be before mesting out of the lines of and foreign to the business which these gen lemen will be chartered at St. Johns to carry the are engaged in. But mature deliberation, and a careful measuring of mease to an end, and a thorough canvass of the city and end, and a thorough canvass of the city and in perienced captain and two or more skilled to pilots, she will be able to make her way surrounding country satisfied them they sould through Smith's Sound and channel to the undertake it, and we are glad to be able to Signal S rrice station. say that every day has brought to them its own measure of special encouragement Every step they have taken has brought

them to firmer and more solid ground, and the clouds of doubt which obscured their vision at the beginning have deappeared be-fore the prompt and eager support of the \$500,000. people, who have determined to make this their Music Festival and fill the immense hall to its utmost captury.

Nothing that Memphis has every done will be Nothing that Memphis has ever duce will be so productive as this of desirable and last-nearly \$130,000,000,showing a steady increase ing results. No effort or money that has been expended here has been so fruitful of \$122,000,000. The increase is due to large good and bereficial returns as the Festival receipts from internal revenue since the lat. will be. It puts Memphis in line with all the ambitious and enterprising cities of the hought as to her abroad, and will lead the | have full charge of the business office. general publicsentiment of the country into ther than vellow-fever channels whenever her name is mentioned. It will unteract the discouraging influences set

stort by the flood of epidemic disease that overwhelmed us in 1878-79 and will enmrage the people of the city where to believe that the bright and brilliant Inture that editors have written about any ime there eighteen years bas not merely will give the Mexists and body of the people to follow the mobile example of Cincionati and have a musical festival every year, with New Orleans, lasted an order to-day direct-Thomas and his orchestra to assist.
